Award Categories

Safety Champion: Excellence in Safety Award

Recognizing the fleet that has demonstrated outstanding safety performance in the past year and a dedication to driver safety and wellness.

- Improvement in safety and reduction of collisions or risky driving incidents over the past year
- Innovative use of fleet safety technology
- Safety training and education program

Maintenance Champion: Excellence in Maintenance Award

Recognizing the fleet that has transformed their operations through innovative maintenance practices, to save costs, time and deliver premier customer service.

- Improvement in vehicle uptime and/or cost savings and customer service
- Innovation and technology adoption
- Outstanding management practices: Environmental responsibility or complex operations

Frequently Asked Questions

Eligibility

Fleet teams or individuals from any region, who are current Geotab users are eligible for nomination. Previous winners can be nominated again.

Is there a fee?

There is no fee to apply.

Who can submit nominations?

Nominations are invited from Geotab partners, customers and industry peers.

How do I submit a nomination?

To nominate a fleet, complete the [Nomination Form](#), providing the following information:

- Your name and organization
- Nominee name and organization
- Award category (Safety Champion or Maintenance Champion)
- 500-word description of how the fleet has made an impact or performance improvement over the past year.

What are the benefits of applying?

Safety Champion and Maintenance Champion winners will receive a crystal award trophy and will be featured on Geotab's website and social media, and announced in a press release. Winners will also receive an official ceremony photo, digital award logo and press release template to help promote the award.

What is the judging process?

Nominations will be scored and selected by a panel of Geotab experts.

When will winners be notified?

Winning submissions will be notified by January 2025 and officially announced at [Geotab Connect](#) in Orlando, Florida in February 2025.

Who are the past winners?

See the list of winners from the [2024 Geotab Innovation Awards](#).
